

Release of Liability

I, the undersigned, understand and recognize that there is physical danger inherently associated with the blacksmithing craft and that I must exercise due caution in regard thereto. I do hereby specifically assume any and all risks of injury, accident, harm, death or damage of any nature whatsoever which may occur to me during or related to NYSDB functions. I recognize that this act of registration automatically releases and holds harmless New York State Designer Blacksmiths, all demonstrators, staff, hosts and all other persons or groups helping with said activity/meeting from all liability should any accident or injury occur.

It is required, as an added precaution that you protect your eyes from flying sparks, particles, loose scale, etc. by wearing ANSI approved safety glasses at all times in demonstration areas. Ear protection is also highly recommended.

Tooling created by Brian Martens During his Blacksmithing Woodworking tools class at John C. Campbell Folk School.

John C. Campbell Folk School Blacksmith Shop where our scholarship recipients took their classes.

General Information

The New York State Designer Blacksmiths (NYSDB) is a group of individuals who share a common interest in the craft and art of blacksmithing. We come together to share this interest and explore both historic and modern techniques. NYSDB's primary goals are educational. This fall's meeting is to celebrate our scholarship winners.

On Saturday our Scholarship recipients will demonstrate the techniques they learned during their sponsored classes and assist members in attempting those techniques. There will be an iron in the hat followed by the auctioning of the grill Nigel Tudor made during his demonstration in the spring. In the afternoon we will hold a competition between members with a surprise gift going to the winners.

Sunday will see us doing a tooling workshop where any member interested can create an acorn die for their power hammer.

During the business meeting we will discuss current necessities for the group and the schedule for next year. If you have any issues that need to be addressed please send them to info@nysdb.org.

Additional Information

Accommodations:

Dave is kind enough to allow us to park RV's on his property or bring your sleeping bag to stay indoors.
